Success Through
Self Empowerment

Vaishali Deshmukh

The Director Of Kaushalya Academy,

Has Developed Her Own Unique Approach To Learn And Study Different Methodologies For Students. With 15 Years Of Experience In The Education Field And Extensive Research On Education Systems In Various European And Asian Countries, She Has Created Seminars And Workshops That Incorporate Traditional Vedic Knowledge And Align It With New-age Science. These Initiatives Aim To Empower Students, Maximize Their Potential, And Enable Them To Achieve Personal Success.

**"purushartha Is The Essence Of Attaining
Self-empowerment And Leading A Successful Life**

- 1) This Concept Elucidates The Principles Of Success In Alignment With The Contemporary Definition Of Success In The 21st Century, Drawing Insights From Vedic Philosophy.
- 2) It Delves Into The True Meaning Of Empowerment, Encompassing Various Facets Of Self-empowerment Through The Lens Of Sanatan Ancient Scripture.
- 3) Emphasizing The Importance Of Cultivating Good Habits And Implementing Them Effectively.
- 4) This Highly Interactive Seminar Engages Students Through Captivating Activities, Such As The 'calculator Of Life,' Which Employs Examples Of Illustrious Individuals Who Have Achieved Remarkable Success And Wielded Significant Influence In Society.

The seminar not only focuses on theoretical aspects but also imparts practical knowledge for implementing these theories, inspiring students to take actionable steps toward executing their ideas."
